Case No. 00224-17-CID452-009611

AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT

I, Judd Leinum, being first duly sworn, hereby depose and state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. I make this affidavit in support of an application for a search warrant under 18 U.S.C. §§ 2703(a), 2703(b)(1)(A) and 2703(c)(1)(A) to require Juno Online Services, Inc. a United Online Company (hereafter "Juno") to disclose to the government records and other information, including the contents of communications, associated with the above-listed Juno email address that is stored at premises owned, maintained, controlled, or operated by Juno, a company headquartered at 21255 Burbank Blvd. Suite 400, Woodland Hills, CA 91367. The information to be disclosed by Juno and searched by the government is described in the following paragraphs and in Attachments A and B.

2. I am a Special Agent with the U.S. Army Criminal Investigation Command (USACIDC), and have been since April 2016. As such, I am an investigative or law enforcement officer of the United States within the meaning under 28 Code of Federal

Regulation (CFR), Section 60.3(a)(2), that is, an officer of the United States who is empowered by law to conduct investigations of and to make arrests for offenses included in Title 10, United States Code (USC) and the Uniformed Code of Military Justice (UCMJ). In addition, USACIDC Special Agents are included in 28 CFR, Part 60 amongst the federal law enforcement officers authorized to seek and execute federal warrants under 18 USC § 3105.

3. I have been a law enforcement officer for nearly 18 months. I was a Criminal Investigator Student Intern for the U.S. Department of Health and Human Services, Office of Inspector General, Office of Investigations for approximately one year prior to my current employment as a Special Agent with USACIDC.

4. As a USACIDC Special Agent, I am authorized to seek and execute federal arrest and search warrants for Title 10 USC and UCMJ criminal offenses, including offenses related to the sexual exploitation of minors, specifically those involving the possession, distribution, and receipt of child pornography, in violation of UCMJ, Article 134.¹ I have a Bachelor's of Science degree in Criminology and a Master of Arts degree in Criminal Justice. I also am a Certified Fraud Examiner credentialed through the Association of Fraud Examiners effective February 2015. I have completed the Criminal Investigation Division Special Agent Course (CIDSAC) at the United States Army Military Police School in Fort Leonard Wood,

¹ Article 134 of the UCMJ, also known as 10 U.S.C. § 934, "criminalizes, for purposes of general court-martials, 'all disorders and neglects to the prejudice of good order and discipline in the armed forces, all conduct of nature to bring discredit upon the armed forces, and crimes and offenses not capital....' 10 U.S.C. § 934. The possession of child pornography is a violation of § 934." *United States v. Reppert*, 76 F. Supp. 2d 185, 187 (D. Conn. 1999)

MO. During CIDSAC, and subsequent training, I received instruction on conducting online child pornography investigations. I have also been the affiant for and participated in the execution of multiple search warrants in child pornography and child exploitation investigations.

5. The facts in this affidavit come from my personal observations, my training and experience, and information obtained from other agents and witnesses. This affidavit is intended to show simply that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

6. Based on the facts as set forth in this affidavit, there is probable cause to believe that the information described in Attachment A contains evidence, contraband, instrumentalities, and/or fruits of violations of UCMJ, Art 134, that is, the possession, receipt, and distribution of child pornography, as described in Attachment B.

PROBABLE CAUSE

7. On May 23, 2017, this office was notified by Senior Investigator (S/INV) Karl D. Stonebarger, Computer Crime Unit, New York State Police, that SGT Kyle R. Forte, 99024A Mountain View Drive, Fort Drum, NY 13603 (SGT Forte) may be in possession of Child Pornography.

8. SA Jason M. Osterhout, this office, coordinated with S/INV Stonebarger who stated his office received a National Center for Missing and Exploited Children (NCMEC)

Cybertip that revealed one explicit image depicting child pornography was uploaded to Chatstep from IP address 66.67.82.151 on February 4, 2017 at 14:53 UTC. Subpoena results from Time Warner Cable, the owner of the IP address, revealed that on the date and time the image was uploaded, the IP address was assigned and owned by SGT Forte at his residence address.

9. SA Leinum reviewed the image received from NYSP pertaining as a part of the Cybertip. The image, entitled 6895d35de0bf415099b2e0723d28195c(R)-16(1).jpg, depicts a pre-pubescent female lying on her back with a penis touching her vagina and semen on her stomach and vaginal area. The female appears to be less than 6 years old.

10. On May 25, 2017 SA Leinum received a signed DA Form 3744, Affidavit Supporting Search and Seizure Authorization and 3745, Request for Search and Seizure Authorization from CPT Alison E. Evans, Military Magistrate, Office of the Staff Judge Advocate, affirming there was probable cause to conduct a search of SGT Forte's residence for all digital media that may be able to view, transmit or store explicit images of children.

11. Between 0915 and 1130, on May 31, 2017, law enforcement officers from this office led by SA Elison O. Cepeda conducted a search of SGT Forte's residence, for any and all digital media. During the search of the residence 15 pieces of digital evidence were collected, documented on Evidence Property/Custody Document (EPCD), and submitted to the Evidence Depository. The aforementioned items were forwarded to the Digital Forensic Examiner's Cell in Fort Campbell, KY for further examination on July 12, 2017.

12. On May 31, 2017, SA Leinum interviewed SGT Forte. SGT. Forte was advised of and waived his rights, and provided a verbal sworn statement wherein he admitted to possessing, receiving, and viewing numerous explicit images depicting child pornography. SGT Forte further admitted to uploading and distributing numerous explicit images to anonymous users he conversed with on Chatstep. SGT Forte stated he used his cellular telephone to access Chatstep to view and trade explicit images three to four days a week for roughly the past year. SGT Forte further stated that he utilized a Juno Mail account to store explicit images from Chatstep. SGT Forte provided the username (secretone4u@juno.com) and password for this email account and verbally consented to this office reviewing the aforementioned account.

13. S/INV Stonebarger was advised of the Juno Mail account of SGT Forte and its password. S/INV Stonebarger performed a preliminary review of the account which revealed that the account contained in excess of 100 images depicting various explicit images of child pornography.

INFORMATION TO BE SEARCHED AND THINGS TO BE SEIZED

16. I anticipate executing this warrant under the Electronic Communications Privacy Act, in particular 18 U.S.C. §§ 2703(a), 2703(b)(1)(A) and 2703(c)(1)(A), by using the warrant to require Juno to disclose to the government copies of the records and other information (including the content of communications and stored data) particularly described in Section I of Attachment B. Upon receipt of the information described in Section I of Attachment B, government-authorized persons will review that information to locate the items described in Section II of Attachment B.

CONCLUSION

17. Based on the forgoing, I request that the Court issue the proposed search warrant. The records sought will assist the investigation as evidence to further validate that SGT Forte is in possession of explicit images containing child pornography via his Juno Mail email account.

18. The time period for the sought records is 1 January 2017 to the present day. The recipient is holding the records per the preservation request sent to Juno Mail on 9 August 2016.

Respectfully submitted,
